

Lesson Packs (available online)

The Instructor Starter Kit contains a sampling of lesson plans and student learning plans to use with the HSFP Student Guides. The full collection of teaching materials is available online so you can select and save to your computer the lesson materials you want to use. Add what you want to the Starter Kit by selecting lessons that match your students' needs and deciding what fits into your schedule.

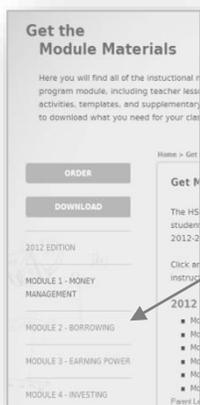

Follow these steps to get full sets of Lesson Packs, including the presentations and assessments:

1. Login to the HSFP Instructor/Teacher website: www.hsfpp.org.

2. Click the Get Materials tab.

3. Click on a module topic from the menu in the left column.

4. Click on a lesson to save a zip file/folder to your computer.

Each Lesson Pack (zip folder) contains the following items:

- ▶ Instructor Lesson Plan
- ▶ Student Learning Plan
- ▶ PowerPoint presentation with notes
- ▶ Supporting activity handouts and answer keys
- ▶ Performance Assessments and Scoring Guides
