CU&LP deploys ~1,023 Cadets to 26 countries to develop leaders capable of operating in complex operational environments throughout the world. Cadets develop cultural competencies and regional
experience in parallel with practical application of planning, resourcing, and executing training during leadership and staff officer position rotations. Cadets interact with security forces, government officials, other organizations, and the local populace to learn how culture affects the environment, and can impact military operations. Refer to USACC Pam 145-9-1 for further information on CU&LP.
