

## **JSOCC Basic Capstone**

### **Overview/Purpose:**

During this final project, you will teach a JROTC lesson using the technology (CMV3/Canvas/Google Classroom, etc.) you use at your school.

### **Objective:**

You must teach a 25-minute lesson to a performance level of “Proficient” or better.

**Assessment Strategy:** See Rubric

### **Tasks:**

1. Present a lesson from the Army JROTC curriculum.
2. You must teach a portion of the four-phase lesson plan.
3. Create/Administer a 3-question exam (digital or hard copy).
4. During the lesson, model two protocols.

### **Resources:**

- Laptops/Surface Pros
- Army JROTC curriculum
- Protocols

**Start:**  
**5-Min:**  
**Stop:**

## JSOCC Basic Course Capstone Rubric 25-Minute Snapshot (20-Minute Lesson / 5-minute Assessment)

	<b>Lesson Title:</b> U_C_L_					<b>Rank / Name:</b>
	<b>Distinguished (4)</b>	<b>Proficient (3)</b>	<b>Emerging (2)</b>	<b>Novice (1)</b>	<b>Notes:</b>	
<b>Use an energizer</b>	Energizer sparked interest, involved the whole class, and related to the lesson	Energizer sparked interest, related to the lesson, did not involve the whole class	Attempted to use an energizer but it was not successful	Did not use an energizer	<b>Energizer</b> – An energizer is a brief activity that is intended to increase energy in a group by engaging them in physical activity, laughter, or in ways that engage the members cognitively (problem-solving).	
<b>Customize a lesson slide deck</b>	Customized presentation and inserted 3 resource types	Customized presentation and inserted 2 resource types	Customized presentation and inserted 1 resource type	Did not customize nor insert an additional resource	-Customize slide deck: change slide order, add/delete slides, and add resources to meet the needs of your Cadets.  <b>-Resource Types:</b> Video, Image, Narration, & Text	
<b>Customize a lesson plan</b>	Customized plan reflected the lesson observed	Customized plan reflected some aspects of the lesson observed	Customized plan did not reflect the lesson observed	Did not customize a lesson plan	-Customize the lesson plan from the U_C_L_ chosen for your Capstone project and provide a copy to your Primary Instructor prior to your Capstone presentation.	
<b>Model two protocols during the lesson</b>	Accurately modeled 2 or more protocols	Accurately modeled 1 protocol	Insufficiently modeled one or more protocols	Did not model any protocols	<b>Resources:</b> 1. Instructor Protocol Handbook (Please feel free to modify for your own needs) 2. Your Experience with what works	
<b>Create Assessment</b>	Successfully created and administered a 3-question assessment	Successfully created and administered a 2-question assessment	Successfully created and administered a 1-question assessment	Did not create, administer, or display results of an assessment	<b>3 tasks:</b> 1. Create an assessment 2. Administer an assessment 3. Display results of assessment (Report function)
